STARTS **HERE****

Why choose **Flamingo**?

We are **not just** a marketing agency... we are **your outsourced marketing department**

At **Flamingo Marketing Strategies Ltd.**, we take pride in being different from the rest.

We only work with a select number of clients and we don't work with your competitors. Providing an individual service created just for you, we work to make you stand out.

We treat your business as if it were our own, ensuring you get the brand visibility you deserve and generate the leads and sales you want.

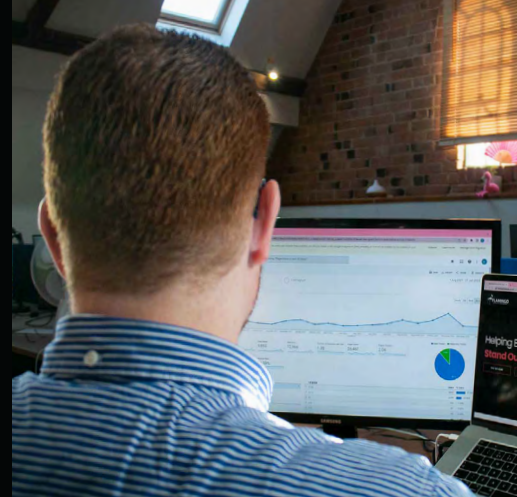

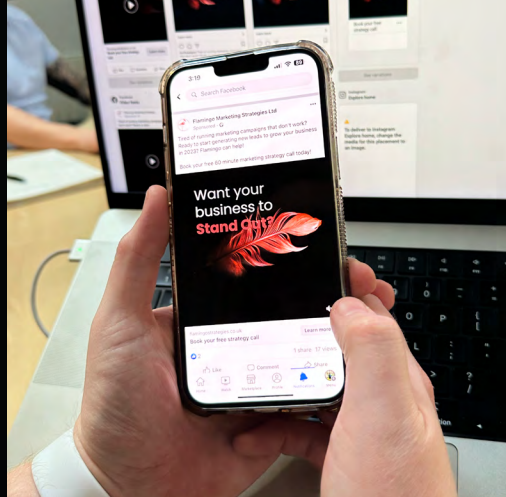

We're all about building relationships and good communication, so you can call us at any time or meet with us face-to-face. Clients are always welcome to drop by our office for a coffee (and biscuits!). Based in Leamington Spa, Warwickshire, we are easy to get to from the Midlands and further afield.

Choose Flamingo Marketing Strategies Ltd., and experience a fresh, unique approach to marketing that prioritises your success above everything else.

"Within the first 7 months of working with Flamingo, we've quoted over £300,000 worth of work from the leads they have generated for us. If they convert, that will be a massive 1,805% return on investment."

Add-ons and Ad-hoc work

Although we cover most of what you need in our packages, there are a few things you'd need to pay for yourself. Some items we will happily order for you and then add the charge to your monthly bill:

- Merchandise
- Ad spend – Facebook/Google/LinkedIn
- Print such as brochures and business cards
- Exhibition stand space and assets for the stand
- Sales Navigator for your LinkedIn outreach
- Postage and Stationery (such as envelopes for print campaigns)

We have also developed partnerships with a number of other suppliers who can work alongside us if you need anything we don't currently offer.

Don't need the full service?

If you don't require everything included in our monthly packages, we do take on a small number of clients who require ad-hoc work. This could be if you only need eg. graphic design work or social media management. Contact us to find out more.
